ORDER REVOKING FOREIGN CERTIFICATE AUTHORITY

By Order 2001-11-1, issued November 6, 2001, we revoked for reason of dormancy the interstate scheduled certificate issued to Tower Air, Inc., by Order 98-7-6.

By this order, we are revoking the company's foreign scheduled certificate authority for reasons of dormancy. Instead of repeating our findings and conclusions in Order 2001-11-1, we incorporate them here by reference.

ACCORDINGLY, Acting under authority assigned by the Department in its regulations, 14 CFR 385.12:

1. We revoke the certificates of public convenience and necessity issued to Tower Air, Inc., by Orders 93-4-39 (Route 641), 95-1-41 (Route 401), and 97-1-10 (Route 731) authorizing it to engage in foreign scheduled air transportation.
2. Unless disapproved by the President of the United States under 49 U.S.C. 41307, this order shall become effective on the 61st day after its submission for section 41307 review or upon the date of receipt of advice from the President or his designee under Executive Order 12597 and implementing regulations that he or she does not intend to disapprove the Department's order under that section, whichever occurs earlier.¹
3. We will serve a copy of this order on the persons listed in Attachment A.

¹ This order was submitted for section 41307 review on November 6, 2001. On January 17, 2002, we received notification that the President's designee under Executive Order 12597 and implementing regulations did not intend to disapprove the Department's order.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.30, may file their petitions within 10 days of the service date of this order.

The action taken in this order shall be effective immediately and the filing of a petition for review shall not alter its effectiveness.
